BIOGRAPHICAL & PHOTOGRAPHIC PERMISSION TO USE FORM

I, _____, hereby give permission to the Society, a nonprofit organization incorporated in North Carolina, to reproduce, use and distribute photographs; biographical information; and other materials that I have personally donated to the Society and that are contained in my biographical file, for printed or electronic publications - provided that the source is acknowledged. The Society has my permission to use these materials to create, update and maintain a biographical sketch posted on their PA History Society's website and server.

In addition to materials that I have personally donated for this purpose, I understand that my file may contain material collected by the Society from outside sources. Use and access to these materials will be left to the discretion of the Society as stated below.

I understand that any use of material contained in my biographical file that is determined to be "fair use" under Section 107 or that satisfies the conditions specified in Section 108 of the U.S. Copyright Law (17 USC, as revised by P.L. 94-553) does not require my permission and can be used by the Society accordingly.

I understand that republication, systematic reproduction, posting in electronic form on servers, or other uses of this material, except as exempted by the above statements, requires written permission or license from the Society or from the recognized creator or copyright owner of said materials.

The Society has my permission now and in perpetuity to act as my agent with third parties who may wish to use these materials for academic, research or promotional purposes.
